4. Selection of the winner

There will be at least 1 winner in each Category of the Contest (Music, Art, Dance) : if the winner selected by the applicable Judge (as defined below) in a Category is not a TP Participant, an additional winner will be selected by the Judge in such Category among TP Participants (to ensure that at least one winner per Category is a TP Participant). Thus there may be a maximum of 6 winners (2 per Categories if the first winner under a specific Category is not a TP Participant).

The selection of the winner(s) will be made by a team of 3 English speaking TikTok influencers (one influencer for each Category) selected by Teleperformance Group (the “**Judges**”). In each Category, the top 7 TikTok videos and the top 3 Instagram Reels submitted to the Contest in accordance with these Rules with the highest numbers of Likes, Shares and Comments will be submitted to the Judge of the applicable Category who will select the most original, fun and creative video for this Category. The Participants who submitted the other 9 of the 10 videos pre-selected in each Category as provided above will be considered substitute winners (the “**Substitute Winners**”) in case the main winner does not meet the requirements for participation as detailed in Articles 3 and 4 of the Contest.

The selection of the winners will take place within 2 weeks as of the end of the applicable timeframe set forth in Section 2 for each Category. The winner selected by the applicable Judge for each Category will be contacted via Direct Message (DM) or messages sent by Teleperformance Group Marketing Department on TikTok or Instagram respectively. The winner will be required to provide the following information:

- If he/she is a TP Participant, he/she shall provide his/her name, email address, CCMS ID and country of location. Teleperformance Group Marketing Department will forward this information to the local Marketing Department of the applicable Teleperformance Group company for confirmation that the winner has an active employment agreement or employment relationship with the Teleperformance Group company.
- If the winner is not a TP Participant (meaning that he/she is a TP employee’s family member), he/she will be requested to provide his/her name, email address and country of location as well as the name, CCMS ID and country of location of the applicable TP employee and the relationship with such employee. Teleperformance Group Marketing Department will forward this information to the local Marketing Department of the applicable Teleperformance Group company for confirmation that the employee whose family member is the winner has an active employment agreement or employment

relationship with the Teleperformance Group company.

The local Marketing Department or Human Resources Department of the applicable Teleperformance Group Company will request the residence address of the winner to send the prize via courier.

If the winner chosen among TP Participants is not an employee of a Teleperformance Group company as set forth in Article 3, he/she will be disqualified and one of the 9 Substitute Winners will be selected by the Judge for the applicable Category; if that Substitute Winner is disqualified, then the next Substitute Winner will be selected by the applicable Judge, and so on until a qualified winner among the 9 Substitute Winners is identified. If neither the first winner nor any of the 9 substitute winners are active employees of a Teleperformance Group company, the selection of the winner among TP Participants will be carried out again by the Judge of the applicable Category from the next top 7 TikTok videos and the next top 3 Instagram Reels submitted to the Contest with the highest sum of the number of Likes, Shares and Comments.

If the winner does not respond to the Direct Message sent on TikTok or Instagram by the Teleperformance TikTok account or Teleperformance Instagram account within 3 days after the Direct Message or message was sent, the substitute winner will be selected from the Substitute Winners. The winner will receive only one Direct Message or message to which he/she has to respond within 3 days as mentioned above; he/she will not receive reminders in case he/she does not respond to the Direct Message or message.

5. Announcement of the winner
